

## MEMORANDUM OF UNDERSTANDING

Between Operation Eyesight

and

Neya Chander

The principal aim of this Memorandum of Understanding is to document the terms of the arrangement between Operation Eyesight and Neya Chander.

In this MOU Operation Eyesight and Neya Chander are each referred to individually as a “Party” and collectively as “the Parties”.

The Agreement outlines the roles and responsibilities of the Parties.

This MOU is an expression of the good faith intent of the Parties and is not intended to be legally binding.

### 1. The partnership

Ms. Chander has named Operation Eyesight as one of the two benefiting charities from the sale of her artwork on her namesake website <https://www.KaiArt.Work/>. Buyers will be able to choose which charity they would like to support in the purchase of Ms. Chander’s artwork and is at complete discretion to the buyer. Buyers must be made explicitly aware that shipping and handling will be deducted from the donation amount. The party has also received approval to use the Operation Eyesight logo, copy from Operation Eyesight, and will be provided with a “proof of partnership” letter to help communicate this partnership to potential buyers. Ms. Neya will collect payment through her PayPal account and submit to Operation Eyesight. Per Canadian Revenue Agency rules, buyers will not be eligible for a tax receipt, and this should also be made explicitly clear to purchasers.

Operation Eyesight asks that payment redistribution be provided in the calendar year that that the purchase was made for accurate record keeping.

### 2. Duration of this MOU

The partnership will go on until Ms. Chander notifies Operation Eyesight otherwise, at which point the use of the Operation Eyesight logo will need to be assessed and potentially terminated.

**3. Goals of this MOU**

Operation Eyesight is elated that Ms. Chander is starting her philanthropic journey and that she has included Operation Eyesight in the sale of her art, which we understand, is a very personal process and decision to make.
