To Whom it May Concern,

The Canadian Cancer Society (CCS) is honoured that **Neya Chander** has chosen CCS as one of her charity beneficiaries for her 'Kai Art Work' fundraising initiative.

Proceeds directed to CCS from Kai Art Work will support CCS vision of creating a world where no one fears cancer.

As Canada's leading cancer charity, CCS:

- Is the only national charity that supports all Canadians living with all cancers across the country.
- Is the country's largest national charitable funder of research into all types of cancer.
- Provides information and support services to help people better manage life with cancer, find community and connection, and build wellness and resilience.

CCS looks forward to supporting Kai Art Work's third-party fundraiser. Please consider purchasing her art pieces with proceeds directed to CCS or by donating at [www.cancer.ca](http://www.cancer.ca) to support people living with cancer.

**Together, we are bigger than cancer.**

Sincerely,

Canadian Cancer Society, Ontario Region
